Description

Bi-Es Moi White is a Floral Woody Musk fragrance for women.

Moi White is a transparent composition of flowers, delicate spices, velvety fruit nuances and energizing power of coffee beans. This fragrance is like a tender whisper, feminine and subtle, weightless, but with a noticeable presence. Tender powdery top notes of freesia, peach skin, peony and musk lead to floral heart of white flowers, ylang-ylang and rose. The base is woody transparent with coffee and incense touches.
