Description

Chatler Anela Novel Eau de Parfum for Women is a sophisticated fragrance that captures the essence of modern femininity. Inspired by one of the most celebrated perfumes, Chatler Anela Novel presents a refreshing, floral, and warm composition that is perfect for any occasion. Whether you're preparing for a busy day at work or a night out, this perfume offers an irresistible aura that stays with you long after application.

The perfume opens with an invigorating burst of litchi, a fruit that adds a fresh, sweet, and slightly tangy edge. Alongside litchi, the bright and spicy note of pink pepper introduces an exciting energy, making this fragrance both uplifting and vibrant. These lively top notes are balanced by the elegance of a rose heart, which brings out the floral richness of the scent. The rose here is not overly sweet but rather soft and refined, adding a graceful and sophisticated layer to the overall experience.

As the perfume settles, it unveils a warm and sensual base of woody accords, which are enhanced by a smooth, caramel sweetness. The combination of these elements creates a perfectly balanced, lingering effect that feels both comforting and luxurious. The woody notes provide depth and complexity, while the caramel adds a touch of sweetness that makes the fragrance even more captivating.

Chatler Anela Novel is a fragrance designed for women who appreciate a scent that evolves with them throughout the day. It's a perfume that embodies both strength and softness, creating an alluring contrast that reflects the multifaceted nature of modern women. The long-lasting nature of this fragrance ensures it will remain with you, offering a subtle yet undeniable presence.
