LOU DE PRE Mystic Dream – Eau de Parfum for Women

LOU DE PRE Mystic Dream is a luxurious fragrance that awakens the senses with its deep, warm, and opulent notes. A perfect blend of sophistication and comfort, this eau de parfum wraps you in a sensual aura, ideal for women who seek depth, elegance, and bold character in their signature scent.

A fragrance crafted for warmth and sensuality

Mystic Dream opens with an intoxicating swirl of spiced cinnamon, kissed by a gentle boozy sweetness that instantly transports you to a velvet-lit evening. At the heart, creamy tonka bean and roasted praline create an addictive warmth, balanced by the strength of oak wood that anchors the composition. In the base, smooth vanilla adds a lasting softness, leaving behind a lingering trail of elegance and desire.

For women who embrace elegance with intensity

Designed for women who are unapologetically confident, Mystic Dream is a scent that captivates from the first moment. Its rich character makes it perfect for cooler seasons, romantic nights, or when you want your presence to speak volumes. This is not just a perfume — it's a story told through scent.
