Description

Luxure Olivia is a Citrus Aromatic fragrance for women.

First, you are attracted by the aroma of mandarin, full of sparkling energy, which mixes with the scent of white flowers in the top notes. These become even more pronounced after a while and remain in the foreground until the very end. Even in the drydown stage, the floral notes are unmistakable thanks to the ylang-ylang content. As it fades, a soft, delicate benzoin also emerges.

Fragrance notes

- Top Notes: Orange Peel, Mandarin Orange and Orange Blossom
- Heart Notes: Tiare Flower, Solar notes, White Flowers and Oakmoss
- Base Notes: Ylang-Ylang and Benzoin
