Description

Paris Bleu Master Sense. Eau de Parfum for Men - a fragrance that symbolizes a fleeting moment of reflection, beautifully captured by the long rays of a setting sun streaming through the windows of a luxurious villa. Master Sense is a luminous and warm scent that awakens the senses and creates an unforgettable experience. The initial notes burst with the invigorating energy of bergamot and the sensual freshness of apple, providing a refreshing start. At the heart, deep woody notes combined with spices offer strength and character, while the base of musk and vanilla leaves an intoxicating and enduring signature on the skin. Paris Bleu Master Sense is the perfect choice for the modern man who seeks to leave a lasting impression with elegance and style. Embrace a fragrance that transcends time and place, available now at 1perfumery.co.uk.
